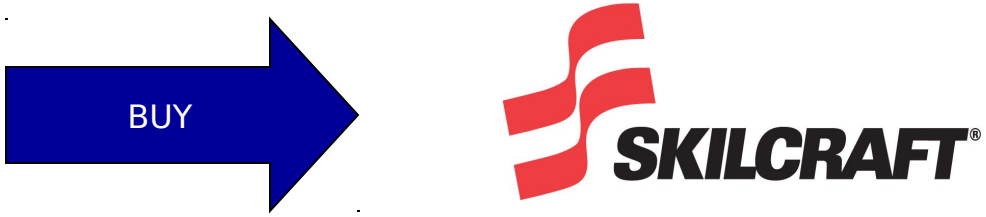
What is "Essentially the Same"

Form

• A JWOD item has the same purpose
as a commercial product. The twoproducts are considered to be essentially the same (ETS). The Government customer is required to buy the JWOD item in place of it's commercial equivalent.

Fit

• Are the two products the same size and does the size affect the use or performance



Function

• What are the two products used for and can they be used for the same purpose?

Why is ETS Important to You?

Keeps the Federal Customer in Compliance with the JWOD Act

Compliance with ETS used when looking at Past Performance for Federal Contracts/ BPAs/BOAs

Creates opportunities for Americans with Disabilities
